# Being a Foundation Governor in a Catholic School

**We have two vacancies for Foundation Governors. For more information follow this link and speak to your parish priest.**

Are you looking for a way to live out your faith and serve your local community at the same time?

If so, becoming a Foundation Governor could be just the thing for you.

Foundation Governors play an important part in maintaining and developing the Catholic character of these schools.

Foundation Governors are appointed by the local Bishop specifically to preserve and develop the Catholic ethos of the school and represent the Bishop's education policy (e.g. worship and religious education) to the governing body.

This is why Foundation Governors will always outnumber other governors.

Your local diocese manages the process for the appointment of Foundation Governors and provides support to governing bodies in carrying out their responsibilities.
